Fliers Speed Rotary Relief to Yuda Victimanan Quake Victims

The Aruba Flying Club gave Venezuelan earthquake relief a lift August 13 when three members took off with 1,314 pounds of assorted food and clothing collected by the wives of Rotary Club members for El Tocuyo, most heavily damaged town in the recent Venezuelan qua-kes east of Lake Maracaibo.

The shipment, which loaded the two war surplus planes and an Ercoupe to capacity, was part of the 2,300 pounds collected by the Rotary Anns on short notice from business houses, friends, and their own shelves. The balance of the collection followed later by KLM plane.

The supplies, flown 250 miles to Maiquetia, were consigned to the bution. Charles Drew and Robert Burkholder flew Army trainer planes, while Hugh Knickerbocker piloted the Ercoupe. KLM employees at Dakota assisted with the weight-checking and loading of the mercy-

Taking off shortly after 9 a.m., the three were back from the 500-mile round trip by late afternoon.

Asoc. di Prensa A Eligi Steenmeijer Como Presidente

Asociacion di Prensa di Aruba a eligi F. Steenmeijer como Presidente dia 7 di Augustus, yenando e puesto habri desde cu M. Allegro a tuma su retiro. E eleccion a tuma lugar na un di nan reunionnan mensual cu e biaha aki a worde tení den oficina di Aruba Esso News

E siguiente punto riba programa di es anochi tabata discusionnan di plannan pa aumenta actividadnan di e asociacion y pa hacié mas util pa miembronan.

Señor Steenmeijer tin masha ocupacion awor cu el a accepta e puesto como Presidente di Asociacion, pues ademas di su trabao como boticario na Oranjestad, e ta tambe Presidente di Kunstkring y corresponsal pa Beurs & Nieuwsberichten.

Import Duty Raised On U.S. Oil Imports

U.S. Government action last month doubled the import duty on a large portion of all crude and fuel oil to be imported into the United States after December 31, 1950.

In recent years the duty has been 101/2 cents per barrel on all imports. After December 31, only an amount equal to 5 per cent of the previous year's U. S. refinery throughput will be admitted at the 10½ cent figure; all imports over 5 per cent of domestic runs will be taxed at 211/2 cents per barrel.

miembronan a transportá 1,314 liber di cuminda y paña dia 12 di Agosto. Señoranan di miembronan di Rotary Had this system been in effect last year, over half of all imports would have paid the higher duty.

The oil companies in Venezuela and the Dutch West Indies together Tocuyo, e pueblo cu a hiba mas daño

accounted for nearly three-fourths of all crude and fuel imports to the States in 1949, and the rise in duty will make it more difficult for Lago to compete for this important part of its business.

This situation is an added factor (Continuá na Pagina 5) in the urgent necessity for Lago to continue its cost control program.

Every 100th Essay

Your essay on "How I Can Help Cut Costs" doesn't have to be one of the 101 winners for you to win a cash prize in the Cost Reduction Essay Contest. There is another way to win.

Given Fls. 10 Prize

For the writer of every 100th essay received at the Cost Contest Office - that is, essays received at intervals of 100 - Fls. 10 will be

This becomes a game of chance - will your essay be the 100th one to be received at the office - or the 200th - or the 300th, and so on up and up? If so, it will mean Fls. 10 in your pocket whether or not your essay is one whether or not your essay is one of the 101 winners. If yours is a winner and is also received at an interval of 100, then you will win more than you bargained for.
There will be as many winners

of interval prizes as there are 100's of essays turned in.
WHY NOT TAKE A CHANCE?

Have you been thinking about cutting costs on your job? Now is the time! Are your pencils sharpened or your pens filled? Now is the time! Do you have plenty of scrap paper to jot down your ideas and an entry blank for the finished essay? Now is the time! Have you thought about what you could do with Fls. 1,000? Now is the time! In other words are you all set for the big contest? Now is the time!

Starting Monday there will be a whole month, 31 days, in which to write an essay in the Fls. 10,000 COST Reduction Essay Contest announced two weeks ago. There are 31 days in which to turn in an essay and give yourself a chance to win Fls. 1,000 or one of the 100 other cash prizes. You might even win a Fls. 10 interval prize announced on this page.

There should be so many ways you could think of to cut costs you will probably need more entry blanks on which to continue your essay. If so, there are plenty more available with your supervisor. Although each employee may write only one essay, that one may be as long as desired. So - think hard - write down all

Simon, Scott, Eagan and Luidens Win Fls. 2,200 in Capital Awards

Now is the Time! Fls. 10,000 in

Jackpot for 101 Essay Writers

A total of Fls. 2,200 was recently awarded to three of the four CYI Capital Award winners by General Manager O. Mingus at a special meeting of the management staff. (First place winner A. Simon is now on his way to Aruba from his vacation in Budapest,

Hungary and will receive his award when he arrives). Also present at the meeting were members of the CYI Committee and supervisors of the winners.

The winners are: FIRST - A. SI-MON, operator in Catalytic Depart-ment. Fls. 1,000. SECOND - GEOR-GE A. SCOTT, electrician "A", electrician "A", Electrical Depart-ment, Fls. 600. THIRD - WIL-LIAM P. EAGAN, operator in Catalytic Department, Fls. 400. FOURTH FERNANDO

of Fls. 2,550. Mr. Simon won an initial award of Fls. 50 and

supplemental of Fls. 100, bringing his total to Fls. 1,150.

Mr. Scott's initial award was Fls. 50 making his total Fls. 650. Mr. Eagan's initial award of Fls. 50 brings his total winnings to

Mr. Luidens initial and supplemental awards were Fls. 50 each which, added to the capital makes his winnings Fls. 300.

LUIDENS, electrician "A", Electrical Department, Fls. 200.

HEARTY CONGRATULATIONS are extended to second-place CYI winner George A. Scott by General Manager Odis Mingus. At Mr. Mingus's left are R. V. Heinze, chairman of the CYI Committee, and C. B.

The ideas of these four men GERENTE GENERAL O. Mingus ta felicitá A. Scott, total GERENTE GENERAL Or men capital di Coin Your Ideas. Na banda robez di Sr. Mingus nos ta mira R. V. Heinzepresidente di Comité di CYI, y C.B. Garber.

Contest & CYI

Here's How You Can Get Two Birds With One Stone

When you aim for one of those 101 prizes by writing your cost reduction essay, don't forget CYI!

In thinking of ways you can help cut costs on your own job, you may also get an idea which might win a CYI award. Send it in to CYI. You can have your idea in your essay; you can also enter it in CYI ... two birds with one stone!

Since there is no connection be-(Turn to page 6 column 4)

Rotary Club of El Tocuyo for distri- Will You Put Yourself in this Picture?

Write an essay and put yourself in this man's place! Skirbi bo artículo y pone bo mes na lugar di e homber aki.

ARUBA (Esso) NEWS

PUBLISHED EVERY SECOND FRIDAY AT ARUBA, NETHERLANDS WEST INDIES, BY THE LAGO OIL & TRANSPORT CO., LTD. Printed by the Curaçaosche Courant, Curaçao, N.W.I.

"Don't be frightened" by the word "essay"....

Don't let that word scare you away from a cash prize. An essay is nothing but a lot of words strung together.

Do you know how to write? If so, then you can write an essay. Did you ever write a letter? Then you can write an essay.

Do you write badly? It doesn't matter, the Contest judges wil read it.

Do you think (and write) better in Papiamento than in English? Then write your thoughts down in Papiamento.

Every employee in this refinery has a number of ways he can help cut costs. Think about them, then write about them. Because of your kind of job, they may be only little ways to help. It doesn't matter, you still have a chance for any of the hundred and one prizes - because the essays will be judged according to how much chance each writer has to help.

Think — then write — you may be one of the 101.

A PHOTO FINISH might be the result of this horse race held for the first time August 19 at the Lago Heights Club. Dice are rolled by two designated people, one to determine the horse to be moved on the slotted board on stage, and the other to determine how many spaces the horse ing their stay enjoyable, with Lago should be moved. About 250 attended this first running. The game will be

played again September 2 and thereafter at least once a month. Left to right are O. Juddan; C. Haynes, one dice thrower; W. D. George; A. Matthews, second dice thrower; G. Evelyn, announcer; S. Gouveia, assistant manager of Lago Club; C. Nichols and R. Vint, manager of clubs.

CAREDA di Cabai na Lago Club dia 19 di Augustus tabata masha concurrí. Mas o menos 250 hende a tuma parti. Dia 2 di September tin un otro wega y despues di esey alomenos un bez pa luna.

Lago and Aruba Entertain Sparrow Crewmen During Five-Day Visit

Aruba opened its doors in traditional full-scale hospitality last month to entertain the crew of the British frigate H.M.S. "Sparrow". The island provided a five-day round of activities that included dances, parties and picnics, sports and sightseeing, while the ship responded

with a luncheon, cocktail party, and open house. The eight officers and 180 men were certain to take away with them pleasant memories of Aruba when they sailed August 22.

Press Association Elects Steenmeyer

Many organizations joined in makplaying a substantial role. On the 19th a combination Shipyard and Marine Office football team squeezed out a 3-2 victory over the "Sparrow's" squad, in a game on the Lago Heights field. That night the Marine Club entertained some of the ship's officers with a dance (while others of the officers were guests of the Arend Club).

On Sunday the "Sparrow" took revenge for the football loss by scoring 185 to Marine's 66 in a cricket match at Lone Palm Stadium, with Community Council staged a picnic for 75 of the crew, with the Company providing bus service from the ship.

ship of the Aruba Art Circle and a correspondenceship for Beurs & Nieuwsberichten, in addition to work at an Oranjestad pharmacy.

ship lunch at the Esso Club dividing the

The following day another group of 50 was brought here for a tour of the refinery, followed by refreshments and a swim at Rodger's Beach.

The ship exchanged official luncheons with the Government, held open house Sunday, and entertained 100 guests at a cocktail party Monday evening. A special opportunity was given to the Aruba Press Associat-ion to tour the ship the following

The ship came to San Nicolas for refuelling August 22, and sailed for Curação the next morning

H.M.S. "Sparrow" is a 1,450-ton frigate built for convoy protection; it is now based on Bermuda. One of disaster relief if needed at any point within her range.

Elects Steenmeyer

The Aruba Press Association elected F. Steenmeyer as chairman August 7, filling the position left vacant by the recent resignation of M. Alegro. The election took place at a regular monthly meeting, held on number. this occasion at the office of the Aruba Esso News.

The other chief item of business was a discussion of plans for enlarging the association's activities and making it more valuable to its mem-

Record Graduation Marks Milestone for 104 Boys

Pedro Irausquin, Jan Wester Receive Scholarships for Year's Study in States

The 104 members of the 1946 Vocational Training Program graduating class, received their diplomas August 18. This was the eighth and largest class to graduate since the program was started in 1935. The ceremonies were held on the tennis courts of the Lago Heights Club of fortune and a future for young with a reception afterwards in the club patio and lounge. Exhibits of shop work done by the graduates and by the 1949 class were on display in the patio.

The big announcement that had 104 boys and some 300 guests on the edge of their chairs, was made by Frank E. Griffin, general superintendent, toward the end of the program. The winners of the scholar-

ships for a year's study in the United States for two of the outstanding graduates are Pedro Irausquin of Lab education from Curação, Mr. Griffin No. 1, T.S.D., and Jan Wester, Welding, M & C. The two boys were called and Industrial Relations. to the speaker's rostrum where, wreathed in smiles, they received congratulations and were introduced to the audience. Mr. Griffin said that ing class by Morris Emerencia. in view of the success of last year's winners, Dominico Britten and Francisco Dijkhoff, the company felt confidence in sending two more boys and had every reason to believe they would fulfill management's highest hopes for them.

Participating in the exercises were

told them that now they will fill a post in the Lago organization they must show that they are worthy of that post. "You will have to find satisfaction in your work and strive in due time to gain a highter post".

Dr. Goslinga, the next speaker, said that here on Aruba was a well people. He congratulated the company for encouraging its employees and improving their skills, and the boys for their perseverance in sticking to their job for four years. Dr. Goslinga also spoke of the government Technical School which opens in September and which he says will be a supplement to the Lago Vocational School, making a greater number of skilled employees available.

The graduation address was given by Mr. Griffin. He emphasized that 2. although the apprentice graduates have an advantage over other young men, their diplomas will not be a passport to secure promotions. But the knowledge gained during their 5. remonies, said that with this class, four years will make the hill easier to climb. portant positions with the company, ious schools in Aruba. The average He concluded his remarks with six thoughts for the boys to remember as they start their careers with Lago.

The course is a good background but in itself will not insure

Always seek more knowledge, education and training.

Be friendly, cheerful and courteous in dealings with everyone. Be prompt and punctual. Help fellow workers.

Be law abiding citizens and be active in community life.

The diplomas were then presented by Mr. Smith, assisted by E. A. L. Hassell, Vocational School principal.

Most of the boys in the Vocational

entrance age is fourteen. Classroom work includes English, reading, arithmetic, drawing, science, shop mathematics and first aid. There is also a supervised recreation program. Permanent assignments to depart-ments in the refinery are made at the start of the fourth year. During this final year four hours a day are spent in the classroom and four in the plant department to which the student has been permanently assigned.

The two scholarship winners, Pedro Irausquin and Jan Wester, accompanied by E. F. Welch of the Training Division, left Aruba for the United States last Sunday. They spent the night in Miami and proceeded by train to New York for a few days of sight seeing. Today they leave New York for Allentown, Pa., where they will attend the Allentown Vocational High School which opens September 6.

Youth Jubilee the low line gas and condensate facilities in the gas compression unit. To Be Sept. 8 at Esso Club

The culminating point of the summer recreation program will be a Youth Jubilee to be held next Friday evening, September 8 at the Esso Club. One of the main features of the evening will be the showing of approximately 400 ft. of color movies taken throughout the summer by Dr. R. Turfboer of the various phases of the program. (Dr. Turfboer hopes that the latest reels sent to the states for developing will be back in time).

From 7 to 8 o'clock in the main lounge there will be an exhibition of work done by the young people throughout the summer. This will include arts and crafts taught by Mrs. R. MacMillan and Mrs. R. Watson, and sewing and needlework taught by Mrs. R. H. Baggaley, Mrs. L. D. Bonbrest and Mrs. J. C. Newby. The young folks will be there to demonstrate their skills. There will also

Joan Holland Wins Contest

A contest was held at the Junior Esso Club to select a name for the September 8 final evening of the summer recreation program. Joan Holland 12-year-old daughter of Mr. and Mrs. N. L. Holland suggested the winning name of "Youth Jubilee". For her originality Joan receives one month of free movies at the Esso Club.

be a series of photographs of the children taken during their various activities.

Between 8 and 9 o'clock there will be an entertainment in the theatre. One of the features will be a Variety Show under the direction of Mary Wall, one of the recreation instructors. Trophies will be presented to the winners of various events during the summer.

Highlight of the program will be Dr. Turfboer's fifteen-minute movie show. His pictures include all activities from special events on the play-ground, instruction in arts and crafts, pet show, hobby show, and picnic, right through to the Aquacade. The Youth Jubilee will conclude

with the showing of two cartoon movies.

The summer recreation program has been supported by the Community Council from contributions made by most residents in the annual drive for funds for projects of this kind and for world-wide charitable pur-

Dr. G. Hendrickson Heads Annual Missionary Week End

San Nicolas August 11 through 14. Dr. Glenn Hendrickson of Lago Hospital was chairman of the four- Bo sa skirbi? Anto bo por skirbi un day affair.

Events included a welcome meeting Friday night for Rev. James Davison, official visiting missionary from the Methodist Church in Dominica. On Sunday there were morning and evening services in San Nicolas and a service in Oranjestad. In the afternoon the sunday school children staged a play under the direction of Kenrik Khan.

The week end culminated with the annual public missionary meeting. mengua costo. Pensa riba nan, djei Addresses for the evening were given by Rev. Davison and Dr. Hugh diser bo ideanan chikito. Dobson. Dr. and Mrs. Dobson are the parents of Mrs. L. G. Wannop of

Lago Colony.

More than Fls. 5,000 was collected during the missionary event and will be spent on development of church work in Aruba.

(See picture on page 3)

The Contest & CYI

(Continued from page 1)

tween the Cost Reduction Essay Contest and CYI, the contest judges will not be looking for CYI ideas. It will be up to you to submit your idea to the CYI.

Remember that the contest will be judged only on how you can help cut costs. If you happen to think of a way to cut costs in another department, it will not rate in the judging and should not be included in your essay unless you personally have a means of doing something about it. Your essay will be sent to a team of Sea cariñoso, contento y cortes judges with someone from your department, who will help decide how practical your ideas are.

Of course, one way of personally cutting costs is to submit a CYI which might be put into effect as a control measure. The judges will give this some weight in considering your essay. But more important are the ways you can cut costs in your own daily work.

You don't have to know how much money one of your ideas might save, so you don't have to spend time getting facts and figures. That part isn't important for your essay. The fact that you thought of the idea is

THINK of ways to cut costs on your job and your work — WRITE them down — SEND them to the Cost Contest — WIN a prize!

UN SET di plata pa seis persona a worde presentá na William Delves di Dry Dock den nomber di su coempleadonan. Sr. Delves a casa cu Señorita Constance Craigg dia 20 di Augustus.

No spanta pa e palabra "artículo".

No laga e palabra ey spanta bo The annual Missionary Week End bimento di un artículo no ta nada otro sino poco palabra cu ta sigui stroba bo di gana un premio. Skir-

artículo.

Bo a yega di skirbi un carta? Anto bo por skirbi un artículo.

Bo hand no ta mucho bunita? No ta importa, nos por lesé.

Bo por pensa y skirbi mihor na Papiamento cu na Ingles? Anto bo por skirbi bo artículo na Papiamento libremente.

Tur empleado den e refineria aki mester por haya algun moda No ta importa, toch bo tin chens pa gana un di e 101 premionan - pasobra e artículonan ta worde huzgá en relacion cu a puesto cu bo ta ocupá. Mas chens di haya modanan tin den bo trabao, mas streng bo artículo ta worde huzgá; menos chens bo trabao ta duna bo di haya ideanan, menos ta worde exigi di bo artículo, pero tur mester haci nan best.

Pensa - djei skirbi bo artículo bo tin chens di gana un di e 101 pre-

mionan.

MONEY-SAVER. H. V. Tromp, subforeman in the M & C Paint Department, points to a time-saver - and thus money-saver - idea of his which is now in use. Paper bags held in place with rubber bands are placed over electric light bulbs to protect them while paint is being sprayed in the vicinity. It is estimated that this new method requires only 1/3 of the time required by the old method of coating the bulbs with a layer of grease.

SPAAR TEMPO. H. V. Tromp, subforeman den Paint Department ta mustra un idea di dje cu a worde adoptá y pa cual el m haya un pre-mio di Coin Your Ideas. Nan ta tapa bombiyonan cu un saco di papel ki ora cu mester supla verf den vecindario. Anteriormente nan tabata tapa cada bombiyo cu un man di gries ki ora cu tabatin verfmento. 0 saco di papel ta spaar hopi tempo.
